

2020 Sponsorship, Advertising and Donation Opportunities

Dear Supporter,

The York County Quilters Guild (YCQG) is celebrating their 25th Anniversary in 2020. We are delighted that this is also the year of our Biennial Quilt Show. Considering this exciting mile marker, we are elevating the 2020 Quilt Show – **A Stitch in Time** to a whole new level. YCQG 2020 Quilt Show will be presented this September 17, 18 and 19 at the First Presbyterian Church in York, South Carolina. We are a 501 c (3) non-profit organization that strives to promote the art of quilting, inspire new and seasoned quilters in our local community, County and State to keep the craft alive. We are encouraging industry support through Sponsorship Opportunities to link your business with our quilting community.

York County provides the perfect setting to attract quilters from all over our State and surrounding States (NC, TN, GA and VA). Our event will display more than 150 quilts (Judged, Non-Judged and Challenge Quilts) that will inspire and astound attendees. We will be having Quilting Demonstrations periodically during the show dates to expand skills and introduce new methods of creativity for quilters. The fun will continue for show goers with raffles, games and door prizes.

We know the importance of our vendors to our craft. As an organization, we want to work collaboratively with you to promote your business and help to ensure your success. The York County Quilters Guild Quilt Show has a strong connection with a large and broad community of quilters and crafters. We are networked through our webpage, Facebook, social media, printed programs, quilt guild outreach and a long history of personal relationships in the quilting community.

There are multiple levels of sponsorship, advertising and donations. We encourage you to select one or more that best promote your products and services.

Together through your generous response, we can continue to grow the passion for quilting, support your business and expand the industry. We look forward to you joining with us.

Best Regards,

Lisa R. Baker

YCQG Quilt Show Marketing Director
